Matching & Selection BSc CSE Study year 2023 - 2024

Dear David,

You have completed the first (Matching) part of the CSE Matching & Selection procedure, therefore you have been assigned a date to take the CST and a Team challenge timeslot.

Note this email is quite long and contains a lot of dates and important information. Thoroughly read through this email, so you don't miss any information and/or mix up dates!

This email contains the following information:

1. *Your **CST date***
2. *Your **Team Challenge timeslot***
3. *CST preparation lecture information*
4. ***When** you will receive your login details for the selection platform*
5. *How to prepare for the Proctoring Trial Run*
6. *How to prepare for the CST*
7. *Where to go for questions*

Upcoming steps of the procedure:

What	When (time is in CET)	Where
CST Preparation Lecture	**8 February 14:00-16:30** (Tomorrow!)	On campus or via streaming link
Proctoring Trial Run	**Between 13 February 10:00 – 16 February 23:59**	Selection platform
CST	**On 18 February 11:00 – 14:00**	Selection platform
Teamwork Assignment	**Between 2 March – 14 March 23:59**	Matching platform

1. *Cognitive Skills Test (CST) date*

We have tried to consider all CST date preferences, unfortunately it was not always possible to assign candidates to their first choice.

Your CST Date : Saturday 18 February
Time : From 11:00 to 14:00 CET
Location : TU Delft Campus

It is possible to change your CST date, but only with a valid reason, and if any spots are left on the date that you want to change to. Always include your student number when sending us an email.

You will complete your CST on the TU Delft Campus. We expect you to arrive and register on campus between 10:00-10:30. More information like location and how to take the CST on campus, will be sent to you by email this Friday 10 February.

More information on how to take the CST will become available on the Matching platform, on Wednesday 15 February.

M&S	Name	Weight	Time
2. CST	2a - Mathematics	30 %	60 minutes
	2b - Systematic Reasoning & Logical Thinking	35 %	60 minutes
	2c - Algorithmic & Computational Thinking	35 %	60 minutes

2. *Team Challenge Timeslot*

You have been assigned the following Team Challenge Timeslot:

Your Timeslot : Tuesday 7 March
Time : From 14:00 - 15:00 CET

It is not possible to change your Team Challenge timeslot.

Note that the Teamwork Assignment consist of 3 parts, which each have their own deadline (see table below). Your **assigned timeslot** is meant for part **'3b. Team Challenge'** of the Teamwork Assignment.

You cannot prepare for the Teamwork Assignment. More information on the Teamwork Assignment will become available on the Matching platform on Friday 24 February. (after the deadline of the last CST option)

M&S	Part	Date	Platform
3. Teamwork Challenge	3a - Introduction to your team	Deadline **Sunday 5 March 23:59 CET**	Matching platform
	3b - Team Challenge	Your chosen timeslot on: **Tuesday 7, Wednesday 8 or Thursday 9 March**	Questionnaire via email
	3c - Reflection Assignment	Deadline **Monday 13 March 23:59 CET**	Matching platform

3. CST Preparation Lecture

On **Wednesday 8 February** (tomorrow!) the CST preparation lecture will be held on the TU Delft campus. The preparation lecture is non-obligatory. The lecture will be held on the TU Delft campus in the Echo building**, in Lecture Hall A**.

We have reserved the a big lecture hall for the lecture tomorrow, so all candidates who want to come to campus are welcome (even if you did not indicate this in the first survey, we still have room for you to attend).

Programme:

- *Walk-in on Campus* *13:30 - 14:00 CET*
- *Mathematics lecture* *14:00 - 15:00 CET*
- *Break* *15 minutes*
- *Reasoning & Logic lecture* *15:15 - 16:15 CET*
- *Overflow time lectures* *16:15 - 16:30 CET*
- *On Campus drinks & ask CSE students questions* *16:30 – 17:30 CET*

If you do not have the option to attend in person, you can follow the lecture via a livestream. You can find the link to the livestream on the Matching Platform. We have added an extra page to the 'CST Preparation Lecture' information which consist the link to the livestream. You can directly navigate to this new page via the table of contents on the start page of the Matching platform.

More information on the CST Preparation lecture and the homework to prepare, can be found on the Matching Platform.

4. Login details for Selection platform

You will receive your personal login details for the Selection platform on Friday 10 February by email. You will receive one log in for the selection platform, which you will use for both the Proctoring Trial Run *and* the CST.

---

5. Proctoring Trial Run

Between Monday 13 February 10:00 CET and Thursday 16 February 23:59 CET you will be able to complete the Proctoring Trial Run on your own computer. You can start at any time within this timeframe.

Even though you are planning to take the CST on campus we strongly recommend you to complete the Proctoring Trial Run! By completing the Proctoring Trial Run you will get familiar with the selection platform and the set-up of the CST, are able to complete some practise questions and you can practice entering mathematical symbols in the platform (which you will need for the CST).

Information on Proctoring and how to complete the Proctoring Trial Run can be found on the Matching platform, Thoroughly read this information, so that you are fully prepared for the Proctoring Trial Run (and the CST).

---

6. Prepare for the CST

In Brochure 2 you can find how to prepare for the CST. You can prepare for '*2a. Mathematics'* and '*2b. Systematic Reasoning & Logical Thinking'*. You cannot prepare for '*2c. Algorithmic & Computational Thinking'.*

The Mathematics formula sheet, which is included in the appendix of brochure 2, will be available on the Selection platform, as well as a sheet on how to enter mathematical symbols. You can find the mathematical symbols sheet on the Matching platform (in chapter *'What to expect during the Trial Run*).

We cannot provide you with any other CST preparation materials, than the material that is available on the Matching platform and in Brochure 2.

---

7. Questions

If you have any questions regarding the content of this email, please first check the Matching platform for answers. On the platform you can find a FAQ (Frequently Asked Questions) and a Discussion Forum on which you can ask your questions or see the questions other candidates have posted.

For *personal* questions you can send an email to selection-bsc-cse@tudelft.nl. Always include your name and student number.

All the best with the Matching & Selection procedure!

Kind regards,
Team Matching & Selection BSc CSE TU Delft
